# DALY CITY MOVES TO AID NATIONAL DEFENSE PROGRAM

## Local Board Begins Mailing Of Questionnaires

National draft continued to be the "big news" here today as the local board began the huge task of mailing out questionnaires to each of the 3,286 draftees enrolled in this district.

The questionnaires will be sent out at the rate of about 40 a day in the order in which serial numbers were called in the national lottery at Washington D. C. It is estimated that the task will take about six months to complete.

The quota for this district for the first call on November 18 is expected to be filled entirely by volunteers, according to Robert T. Short, clerk in charge of draft headquarters at the city hall. The six volunteers from this district have already turned in their questionnaires, he said, and received their notifications to report to Dr. Edwin L. Bartlett in South San Francisco for physical examinations.

Volunteers include: Lloyd E. Stone, 211 F street; Stanley Carlton Simpson, 255 Los Banos; Frank Tringali, 116 Flournoy street; Robert Hastings Lewis, 724 Bellevue avenue; Henry Lafayette Ralston, Brisbane; Jack Walter Adams, Bayshore City; Fred Arthur Young, South San Francisco, and J. B. Sonderman, South San Francisco. Leon Altman, 87 Cavour street, who also volunteered, has now secured a position with

### Red Cross Roll Call To Open November 11

As Armistice Day draws near, the United States once more turns its attention to the greatest humanitarian drive in the world—the annual Red Cross Membership Roll Call.

The campaign opens on Monday, with an estimated 15 workers to be in charge of the Daly City field. Heading the corps of volunteer workers in this community will be Mrs. Eva I. Page, this year's Red Cross chairman, who

## Present Armistice Play At Jefferson Tomorrow Evening

Jefferson Union high school will present its annual Armistice program tomorrow evening at the high school auditorium.

"Golden Lady," a tribute to War mothers, will be staged by the Dramatics class, under the direction of Sigfred Hansen. This is the first time a high school group has ever presented this drama, which was first produced in Hollywood Bowl with a top-notch cast of actors, including Jackie Moran, Robert Preston, John Howard.

The local cast will include Muriel Hollingsworth—a mother; Ad-

DOING THEIR BIT TO STRENGTHEN AMERICA'S BULWARKS

**Mayor John J. Fahey bids farewell and good luck to Daly City Record Employee Bill Gfroerer, who leaves tomorrow for a year's service in Uncle Sam's Marine Corps. Bill with several other local young men (watch next week's edition of The Record for a complete list of their names and their pictures) will go to Mare Island for initial training. A graduate of Jefferson Union high school, Bill, age 21, lives with his family at 139 Vista Grande avenue.**

**Participating in the farewell (rear row left to right) is Fire Chief Andrew Chesney, member of Daly City Disaster Preparedness committee; Dale A. Hovey, Daly City Record photographer and active reserve aerial photographer, U. S. Army Air Corps, 88th Observation squadron; Police Chief James G. Reardon, member of local Disaster Preparedness committee; and Albert H. Boynton, publisher of the Daly City Record and chairman of San Mateo County Publishers Association National Defense committee.**

## Defense Edition Brings Recognition

### Daly City Record Wins National Honors

"Our country first—then our private interests!"

With this premise the Daly City Record and Shopping News set out September 18 to enlist local cooperation for the gigantic nation-wide preparedness program. During the past six weeks The Record office has buzzed with patriotic activity—special editions, defense features, correspondence, committee work have gone into every staff member's daily routine.

Today Daly City's national defense program is receiving recognition throughout the state and nation. Two Daly City stories and a set of local pictures appeared in November issue of California Publisher, California Newspaper Publishers association official magazine. Another story appeared in the November National Publisher, official publication of National Editorial association. Publisher's

### Fire Commissioners To Discuss Fire Truck

Daly City Fire Commissioners will meet at 8 p. m. tonight at the city hall to discuss the purchase of a new fire truck.

It is thought that an agreement will be reached to purchase a new Mack apparatus at an approximate cost of $3,000. The Mack is a professional fire truck, complete with necessary fire-fighting equipment.

The apparatus will be purchased from a local firm and serviced in this community.

### Daly City Police Have New Motorcycle

Daly City police department had a Hallowe'en present on Thursday. Delivered to the local force was a shining new Harley-Davidson motorcycle, to replace the old one which has been in use since 1936.

The new motorcycle will be used by Officer Ricco Benedetti in pursuit of traffic offenders. Price was approximately $350 on a trade-in deal for the old one. It is estimated that the new vehicle will do well over one hundred miles an hour.

Much of the credit for Daly City's quiet Hallowe'en Thursday is due to local police officers who turned out in full force to help keep the evening a "safe and sane" one.

## This IS Hitting The Jackpot!

But can he win on the ponies? This is the question that local draft officials mull over to themselves today as they consider the amazing case of Peter Anasoff.

Out of a possible 3,286 numbers to draw from, the Bayshore City man performed the almost incredible feat of hitting upon the same number twice in succession.

When the original registration cards were shuffled and drawn at random, Anasoff came through with the serial number 370.

Monday afternoon of this week, a draft worker discovered the astounding coincidence that Anasoff's order number, based on the national lottery at Washington D. C., will also be 370!

Now dazed officials are wondering whether a guy who can take a 3,286 to 1 chance—and win—might not be lucky at the races, too.

## What Do You Do With Spare Time?

What do you do with your spare time? Do you like to knit or play football or write short stories. Are you interested in dancing or basketry or stamp collecting?

In an effort to help you get the most fun out of your spare time, The Daly City Record this week inaugurates a survey of recreational interests.

Working hand in hand with the local WPA Recreation department, The Record will endeavor by means of a cross-section poll to discover what you—the people of Daly City—are interested in the most.

On Page 4 of this week's issue you will find a convenient "ballot," ready to check and mail. VOTE NOW. This is your chance to demand the kind of a good time you like the best.

When ballots have all been compiled and classified, the local recreation office has promised to give the most sympathetic consideration to each item. With a staff of fifteen leaders and eight centers in Daly City, the recreation office feels that it can do much

### Add New Leader To Recreation Staff

Miss Agnes R. Teale, well-known San Francisco musical leader, organist and composer, has been added to Daly City's staff of recreation leaders.

This announcement was made today by Bruce H. Boynton, local WPA Recreation supervisor. Miss Teale will begin her duties here next week, and for a time will serve as an assistant to Miss Jehan Dorn in the arts and crafts department.

## Announce Order Of Men Called To Colors

What are your chances of being called to the colors within the next few months?

If you are single, physically fit and without dependents, the list printed below will help you determine in what order you will be required to report for one year of military training.

The first one hundred men from this district to receive questionnaires were listed in their proper order yesterday by the local draft board from a master list sent from Washington D. C.

Officials emphasized that the following order numbers are merely indicative of the precedence given by the national lottery, but that the majority of the registrants will probably never be called due to dependents or other disallowing factors. It is expected that the first call, November 18, will be filled entirely by volunteers, and that subsequent quotas will require only a small fraction of the total registrants to complete.

The following 36 men from Daly City and Colma are first in line from the initial one hundred men from this district. Order numbers omitted belong to South San Francisco, Brisbane or other district 103 draftees.

**1. Harold Nall Wilson, 344 Westlake.**

**2. John Leepin, 308 Parkview.**

**3. Robert James Farley, 56 Miriam.**

**6.Harold William Tesene, 345 Westlake.**

**7. George Joseph Donati, 789 San Diego.**

## Four Badminton Stars Play Here

Next Wednesday, November 13, will be a lucky date for local sports fans. On that evening four crack badminton players from the Athens club in Oakland will stage a free demonstration of this rapidly growing sport in the Jefferson gymnasium.

The four Northern California champions will begin play at 8 p. m.. Sponsored by the WPA Recreation department, the exhibition will be open to the public.

John Holman, Northern California champion, will lead the field

## Lightweights Win Over Burlingame

Burlingame Panthers traveled up the line to split a double bill on Jefferson's hardwood, Friday evening.

In one of the most thrilling prep-lightweight games ever staged on the Peninsula, the Jefferson Indians swung their tomahawks to chop out a 27-26 game.

As the regular playing time whistle blew the scores had locked horns in a 21-21 tie. Playing a five-minute overtime period, Jeff jumped into a four point lead on two successive field goals. A Burlingame man threw a beautiful one hander from forty feet and brought the score 25-23. Two foul throws made good by the Jefferson men proved the deciding points. With but three minutes to play, the Panthers made good one charity toss and one field shot which brought them up one point behind the Indians.

Playing exceptionally good ball were: Reardon, forward; Wright, center; and Harmon, guard. The team as a whole deserve credit for their fine team work.

The boys lined up as follows:

| | |
|---|---|
| F. | Reardon |
| F. | Bittencourt |
| C. | Wright |
| G. | Barrigliari |
| G. | Harmon |

Jeff's Indians started out to whip the Burlingame dime quintet as they began the second quarter with the lead. However, at the end of the fourth quarter the Panthers turned the tables on Jeff's "own" and slunk in with a 22-12 victory.

Rerecich, center, brought honor to himself and team as he crept in with six of the twelve points.

The team lined up as follows:

| | |
|---|---|
| F. | Wilson |
| F. | Christen |
| C. | Rerecich |
| G. | Cavagnaro |
| G. | Prizborowski |

Next game will be played Friday with South City at South City.

**Chemical Energy Relationships**

**Today chemists without having to conduct a single experiment can frequently calculate whether a certain product can be produced from new and untried raw materials, the American Chemical society reports. Energy relationships are studied to learn whether or not an untried reaction will liberate free energy. Energy has a natural definite tendency to scatter, and this tendency provides the driving force of chemical reactions.**

## Panthers Defeat Jefferson's Indians

Jefferson Indians lost their scalps to Burlingame high school's championship-defending Panther grid machine, Friday, in a 26-0 fight.

Combining an excellent passing attack with a good display of ground power, the Panther eleven were able to cross the Jeff goal line four times, while the Indians were only able to penetrate deep into the Panther territory once during the course of the afternoon.

The team went on the field as follows:

| | |
|---|---|
| C. | Rigler |
| L. G. | Schauer |
| L. G. | Capps |
| R. G. | Hertz |
| R. G. | Faulk |
| L. E. | Poddig |
| R. E. | Dyer |
| R. H. | Razzari |
| Q. | Ruppert |
| L. H. | Rainey |
| F. | Ferrando |

## Want A Job?

More procurement inspectors are needed at the Air Corps, Wright Field, Dayton, Ohio, for the following branches of inspection: aircraft, engines, instruments, parachutes, aircraft propellers, and tools and gages.

The Civil Service Commission has been seeking experienced men for these jobs but it announces that a new type of position has just been added to those to be filled—that of Junior Procurement Inspector, $1,620 a year. The upper grades pay from $2,000 to $2,600 a year.

Further details may be procured at the Colma postoffice, or by writing to the secretary, Board of U. S. Civil Service Examiners, Wright Field, Dayton, Ohio.

United States Civil Service commission also announces open competitive examinations for the following positions: senior specialist in higher education, office of education, Federal Security agency; superintendent of clothing factory, and foreman tailor. Applications must be filed with the commissions's Washington office not later than November 25, 1940.

Full information as to the requirements for these examinations and application forms may be obtained from the Colma post office, or from the secretary of the Board of U. S. Civil service examiners.

**In the Fog**

**There are more hours of fog per year, on the average, at Moose Peak, Maine, than at any other place where there is a U. S. lighthouse service station: 1,629 hours.**

## Jefferson's Indians

**The above picture shows Jefferson's first string football team. Reading from left to right bottom row are: 63—Herb Poddig, left end; 53—Jack Faulk, right-guard; 68—John Schauer, left-end; 44—Bill Rigler, center; 70—Don Hertz, right-guard; 72—Bob Capps, left-guard; 50—Bob Dyer, right-end. Top row (left to right) run: 42—John Razzari, right-half; 39—Harlan Ferrando, full-back; 71—Dick Ruppert, quarter-back; 56—J. Rainey, left-half.**

**The boys are out for their first semester under their new coach, Louis Tsoutsouvas, former Stanford football player.**

## Letters Praise D. C. Firemen

Their Hallowe'en troubles over, the Daly City Fire department was able to sit back for a moment today and consider two appreciative letters which have recently come their way.

Both letters commended the speed and efficiency of the fire-fighting force. They follow:

"Chief and Members of the Daly City Fire Department:

"I sincerely wish to thank you for the speed in which you arrived at my home, 593 Bellevue avenue, the evening of October 16.

"As fire spreads so rapidly, it is indeed a comfort to know we have a fine, efficient fire department. Again extending all my gratitude, in which my husband joins me, and also thanking the police department for their cooperation,

Gratefully yours,
William and Bessie Donaldson."

Accompanying the letter was a five-dollar bill which was turned over to the Widows' and Orphans' fund.

"Officers and Members of the Daly City Fire Department:

"I wish to express my thanks and appreciation for the excellent fashion in which you extinguished the fire that took place in my plumbing shop. Considerable damage was avoided by your speedy arrival and systematic method of fire-fighting.

"I am happy and proud to be a member of such a fine organization.

Respectfully yours,
A. M. Harrison."

Much appreciation has also been expressed at the tactful and efficient manner in which local firemen cooperated with the police department on Hallowe'en. Company No. 5 at the General Pershing school and Companies No. 1 and 3 in the Vista Grande tract did much to avert possible property damage.

Two firemen were detailed by Chief Andrew P. Chesney to protect the shrubbery at the city hall, while a fire truck patrolled the streets in such a thorough manner that not one single false alarm was pulled that night.

## Double Or Nothing

George William Blank, 530-A Grand avenue, South San Francisco, will take double or nothing.

In another remarkable draft coincidence meted out in this district by Lady Luck, Blank drew the serial number 1103 in the recent registration and exactly doubled it in last week's national lottery.

Opposite Blank's serial number on his card will appear an order number of 2206, local draft officials announced today.

## Universal Press Breaks Record

Universal Press broke its own team game record in 9:30 division of Merchants league bowling at Burlingame bowl last Tuesday night with a 903 total, 8 pins above the previous mark. The local Press also made high game series of 2505, taking all three games away from Cabin Garage.

Milo's Butchers took a temporary tumble, losing three games to Curry's Barbers. League standings are as follows.

| | W | L |
|---|---|---|
| Fisher's Boys | 14 | 7 |
| Universal Press | 12 | 9 |

## Colma Merchants Defeat Cleaners

Colma Merchants took San Bruno Cleaners, Sunday, on the Jefferson diamond to the score of 10-2.

Colma's third baseman, Johnson, robbed the cleaners of several hits by making several one-handed stabs that had the crowd dazed. Grounds were supervised by the WPA Recreation department.

# Colma News

Charles Van Horn and Madeline G. Wells, both of Colma, were issued a marriage license, last week in San Francisco.

Among the local people who attended the Military ball, Saturday evening, at Veterans building, San Francisco, were: Mr. and Mrs. Edward Allen and Mr. and Mrs. John Newton. The ball was sponsored by the county council, Veterans of Foreign Wars, and was one of the largest events of the year.

Ricco Bollentino entertained a group of friends at a duck dinner, Thursday evening, at Ric's Place, Colma.

Mr. J. Zipsen, Acton street, held a card party in her home Tuesday, October 29, for the benefit of the Past Pocohantas, Bald Eagle Council, Order of Pocohantas. After the playing of cards, delicious refreshments were served. Mrs. M. Medeiros acted as co-hostess.

Mr. and Mrs. Fred Lane honored Carl King, South San Francisco, at a birthday dinner, Saturday evening. Those helping King to celebrate were: Mrs. Carl King, Mrs. Mary Lemmens and Betty Lemmens, South San Francisco; Mr. and Mrs. Lester Vaccari, Lawndale; and Mr. and Mrs. Charles Emeldi, Mrs. Emeldi sr. and nephew, Harry, from Berkeley.

Mr. and Mrs. Victor Lonati, South San Francisco, were the guests of Mr. and Mrs. V. Capurro, Friday evening.

Henry Lorenz returned from a four weeks' vacation, Friday. Lorenz went as far as Chicago, going the northern route and returning the southern way.

Miss Florine Capurro attended a Hallowe'en dinner party, Wednesday. The party was given by Delta Sigma Nu.

In keeping with the Hallowe'en custom, the carnival spirit prevailed among the 38 young people last Wednesday evening.

The party, sponsored by members of Bethel No. 68, Order of Job's Daughters, was held at the home of Honored Queen Miss Eleanor Price, Lawndale.

A ghost stood at the door and greeted the guests as they entered a room attractively decorated with black and orange streamers, colored lights and Jack O'Lanterns.

Games, stories and dancing were enjoyed and refreshments were served.

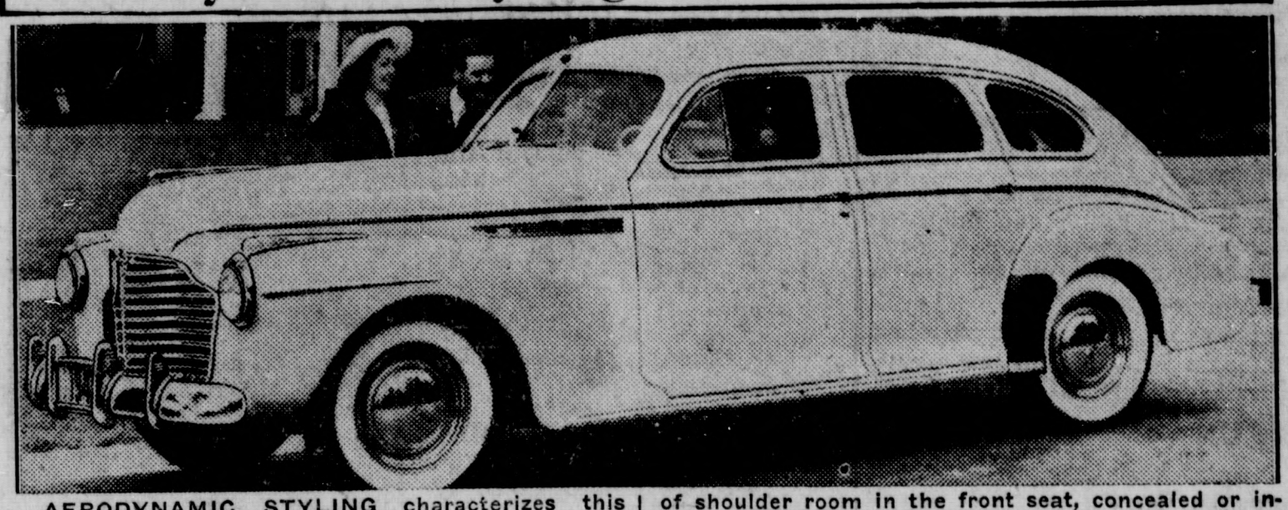
## Aerodynamic Styling Features New Buick



AERODYNAMIC STYLING characterizes this Series 40 Special six-passenger four door sedan, a popular model in Buick's lowest priced group of cars for 1941. Mounted on a 121-inch wheelbase chassis, it has an overall length of 209 inches with ample luggage space built into its tapered tail. Five feet of shoulder room in the front seat, concealed or in-built running boards, coil springs on all four wheels and Buick's microbalanced straight eight, valve-in-head "fireball" engine with optional compound carburetion are features. The new Special has increased power with marked improvement in fuel economy.

## Judge Fines Eight In Court Friday

Four speeding cases, three "no dumping" offenses and one case of disregarding a signal were each given fines in Judge Wade H. Clay's court on Friday.

Speedsters included Arthur M. Menke, 333 Fulton, $5; George C. Thierdach, 431 Batry, and Renato J. Napoletano, 2 Sharp place, each $2.50; and Richard F. Conaty, 159 Wilson, $2.

For unauthorized dumping in vacant lots, Mrs. Beedie, 670 Nineteenth avenue; Alfred Jenkins Pearce, 554 Ramsell street, and Richard Pietsch, 45 Santa Cruz, were each fined $2.50.

Ray Joseph Borlini, 3330 Broderick street, paid $2.50 for disregarding a signal.

Did you buy YOUR car on "Millinery"?

YOU hear it said often nowadays that it's *millinery* that sells automobiles.

All right—let's put it up to one who knows. Did you buy *your* car on nick-nacks, trick devices, novelties?

We don't think so.

We believe that while considering style, and room, and comfort—*you really picked your car on what it would do on the road!*

Now, we take our hats off to no car for being *smarter*-looking than Buick. We'll match our product against any for room, appointments, fine finish, comfort.

But beyond all that, we challenge the whole field to equal Buick on its all-round performance *ability*.

On its power—on its pull—on its pick-up—on its easy handling (*including* freedom from shifting)—yes, and on its thrift.

Nowhere will you find a car that *does so much so well and so frugally.*

You'll find novelties in the new Buicks of course, but they're not the *chief* attraction. Instead you'll see the *two big basic engineering developments of the year*—FIREBALL design and Compound Carburetion.

They give you an automobile that *packs a real thrill*—better come in and learn more about it.

BUICK PRICES BEGIN AT $935 for the Business Coupe delivered at Flint, Mich. State tax, optional equipment and accessories—extra. Prices subject to change without notice.

## Bette Davis, Charles Boyer Co-Star In Film

In line with its policy of presenting the finest of the new crop of film entertainment, the Daly City theatre will show "All This And Heaven, Too," Warner Brothers picturization of the sensationally successful Rachel Field novel. Bette Davis and Charles Boyer are co-starred in the film which will open Sunday.

As one of the most important pictures on the 1940 schedule, Warner Brothers have produced "All This And Heaven, Too" on a lavish scale, sparing no efforts in making the brilliant, absorbing novel come to vibrant life on the screen.

The film was directed by Anatole Litvak, whose deft artistry in handling deeply romantic themes is well-known to motion picture audiences. From the brilliant co-starring team of Miss Davis and Boyer down to the smallest character "bit," the film has been cast with minute care.

Out of Rachel Field's gripping pages comes the immortal story of a young French girl, her background shrouded in mystery, who enters the home of one of France's great noblemen, the Duc de Praslin, as governess to his children. How strangely the destinies of these two, the little governess and the great lord, become interwoven forms the fascinating theme of this great story.

Supporting Miss Davis and Boyer is a huge featured cast which includes such names as Jeffrey Lynn, Barbara O'Neil, Virginia Weidler, Helen Westley, Walter Hampden, Henry Daniell, Harry Davenport.

## Call For Bids—

Bids for the new $50,000 additions to the clerk's and recorder's offices at the court house in Redwood City, were called for November 26 last week by the board of supervisors.

Architect Will H. Toepke submitted fourteen pages of plans and an 80-page list of specifications for the proposed project that will double the size of the two offices and provide what was described as "badly needed extra space."

## Honor Frank Coughlin At Scouting School

Completing the five-year plan of instruction in the Baden Powell school of scouting, Frank Coughlin, leader of Boy Scout Troop No. 101, Thursday evening received the certificate which entitles him to a Scoutmaster's Key.

Joseph Rogers and Charles Gleisner of Troop Committee 101 also received recognition at the dinner and graduation ceremonies, staged for more than one hundred scout leaders who gathered at the Mission high school in San Francisco.

This year's school of instruction has been one of the most successful held in some time, according to John L. Tilden, chief scout executive of the San Francisco Area council.

## Symposium

(Continued from Page 1)

Jefferson Union high school, Crocker and General Pershing PTA units, will begin at 7:30 p. m.

Scheduled to appear on the program are Fire Chief Andrew P. Chesney, Police Chief James G. Reardon, Health Officer Fred Collins and Water Superintendent Arthur J. Bodien.

Principal James Ferguson of Jefferson will speak briefly on the theme of the evening—"Building for Cooperation and Friendliness Through Understanding." Oscar J. Busch, music instructor, will present the high school orchestra in several selections. Cake and coffee will be served following the meeting.

## Explorer Patrol To Camp At Diablo

Explorer Patrol of Boy Scout Troop No. 101 will enjoy another sojourn in the wilds this week-end when they spend Saturday and Sunday camping at Mount Diablo. In charge of the group will be Scoutmaster Frank Coughlin or one of the other troop leaders.

Friday, Saturday and Sunday following Thanksgiving, six members of the Green Bar Council will attend the huge school for patrol leaders at Camp C. C. Moore on the Russian river.

December 13, Boy Scout Troop No. 101 will be host to other troops in this area at a sectional court of honor, at which time Star or Life awards will be made, Coughlin said.

## Special Waltz Session At Winterland Rink

Popular amusement for many, "swing" waltzing is now a sport. Ice skaters at Winterland have formed the Waltz club and members take over the big ice rink for a special session every Tuesday. Arnold J. "Red" Glendenning, widely known instructor and former ice hockey star, heads the club.

Glendenning explained that many of the routines of ice skating are essentially dancing on ice and that the waltz adapts itself with ease to the sweeping motions and glide of ice blades.

## Eighth Graders Stage Hallowe'en Party

Jefferson eighth graders gave a costume Hallowe'en party, Friday evening, October 25. The party was held in the basement of Barbara Blecher's home. During the week preceding, the decorating committee had transformed the basement into an orange and black wonderland.

There was even a Witch's Corner in which sat a horrible old witch who told fortunes.

As each guest entered through a dimly-lit entrance way, he shook hands with a clammy hand and at the same moment a dummy landed unceremoniously upon his head. Simultaneously piercing shrieks and screams came from a darkened corner. This combination "greeting" by the reception committee proved a big hit.

Entertainment consisted of games, spook stunts and dancing. Accordion music was furnished by Don Bortis.

A buffet table, beautifully decorated, was laden with all manner of tempting refreshments.

Committees were as follows: entertainment; Verna Moresco, Anna Domecus, Donna Davis, Barbara Blecher, Helen Capps; decorating; Dolores Crane, Frank Delfino, Anna Domecus, Verna Moresco, Raymond Stumpf; refreshments; Alma Simonetti, Eleanor Saliou, Mary Olcese.

Prizes for the funniest costume went to Clarence Weiland for the boys and to Eunice Delucchi for the girls. Prize for the prettiest costume went to Nadine Boschi.

Dolores Crane, the class poet, was the witch.

## At Jefferson School

### Kindergarten

This week was truly a red letter week for boys and girls in Jefferson kindergarten, according to pupils and teacher alike.

Wednesday morning they had their Hallowe'en party. For days preceding the party, the children were busy making candy baskets, plates, doilies, place cards, and decorations for the event.

Besides this creative work, the party enabled the children to put into practice the good manners they had learned during courtesy periods.

### First Grades

This week the first grade has been playing number and color games, which indirectly teach arithmetic and names of colors.

### Fourth Grade

In conjunction with their social studies, the fourth grade children of Jefferson school have just completed an imaginary trip around the world. The trip was for the purpose of studying the types of homes in which children of other lands live.

Booklets were made showing pictures of the different kind of homes in far away places. Among them are the tree homes in the Philippine jungles, the mud huts in remote parts of Egypt and the small boat homes in certain sections of China.

### Sixth Graders Debate

Tuesday the sixth grade held a debate in their classroom. The subject of discussion was taken from their study of current events.

Thomas Tromborg and Nathan Agresti debated one of the questions uppermost in the minds of American people—"Should Europe Starve."

Various viewpoints of the situation were discussed. The needs of Europe were contrasted with the abundance of America. The recognition that it is a great privilege to live in America was emphasized by the children.

## News Of Woodrow Wilson Elementary

**Seventh and Eighth**

Students in the seventh and eighth grades listened to another epoch in America's history, as they tuned in on the draft lottery last week.

Notes were taken during the broadcast and the numbers, as they were drawn, were listed and posted on the eighth grade bulletin board.

**Low and High Fifth**

Last Friday, the low and high fifth went on a trip to the new zoo. The children have been studying fur-bearing animals and the trip proved of special interest.

**FOURTH GRADE**

Hallowe'en was celebrated by the little tots of the fourth grade. Thursday a huge parade was held during physical education period, with all of the children in costume.

### Eighth Grade Sports

After a number of practice games, eighth grade boys selected the following boys to be their "Team of the Year," representing Jefferson in basketball.

Wilson McCahon, center; Etlo Ferrando, guard; Lawrence Wilmot, guard; Raymond Stumpf, forward; Diego Bonfantini, forward.

Chosen as coach was Frank Delfino, a student. The second team includes Roy Adreveno, center; Orlando Cortopassi, guard; Eugene Grant, guard; Elmer Mattes, forward; George Vallerga, forward.

## VFW Auxiliary Gives Housewarming For Mrs. Ireton

Members of Old Glory Auxiliary No. 2044, Veterans of Foreign Wars, gave a housewarming last Wednesday evening for Mrs. Charlie Ireton who recently moved from 361 Winchester street in Daly City to 737 Second avenue, San Bruno. Highlight of the evening was the presentation of a glass-topped cocktail table to Mrs. Ireton.

Delicious home-made cake and other refreshments were served from tables decorated in the Hallowe'en motif. Guests included the auxiliary president, Mrs. Ruth Brulez; Mrs. Josephine McHugh, Mrs. Nancy Hurley, Mrs. Myna Heffron, Mrs. Louise Crowley, Mrs. Camille Beckett, Mrs. Ethel Dorn, Mrs. Allene LeHigh; Mrs. Marie Tamulenas, San Mateo; Mrs. Mary Sunseri, Mrs. Gladys Schlegle, Mrs. Charlotte Collins, Mrs. Rose Doolin, Mrs. Nellie Jensen, Mrs. Bonnie Ellinwood, Mrs. Mae Murray, Mrs. Ann Sendner, Mrs. Etta Martin, and Mrs. Ireton.

## BABIES

### Candymaker Says New Daughter's Sweet

A baby daughter, Patricia, arrived last Wednesday at Mary's Help hospital for Mr. and Mrs. Grant H. Williams, 255 Knowles avenue.

"She's a sweet little tyke," Williams said today. Williams is candymaker for the Daly City Nut Shop, Wellington avenue and Mission street.

### Al Camerons Announce Birth Of Son In Tampa

The arrival of a baby boy, Jack Allen Cameron, in Tampa, Florida, on October 27, will be of interest to many local residents. The infant is the second son of Mr. and Mrs. Al Cameron, who formerly lived for several years at 349 Peoria street in Daly City. They moved to Florida less than a year ago.

Proud grandparents of "Jack Allen" are Mr. and Mrs. William Loomis, 3312 San Jose avenue. Neighbors will recall that Mrs. Loomis returned only a week ago Thursday from St. Mary's hospital in San Francisco where she underwent a serious operation. Their daughter, Mrs. Cameron, the former Miss Tina Loomis, was a student of Jefferson Union high school and has one other son, six-year-old Roger.

## Perfect Pie Secret

By BETTY BARCLAY

There's a lot of domestic insurance in good pies, and the woman who can make them has been celebrated by word of mouth — even in poetry — since pie became America's top dessert.

When it comes to lemon pie, ranking favorite according to the inquiring reporters, too many women give up, saying, "I just can't make it like Tom's mother used to make." It's really quite simple if you know the secret. Don't cook the lemon juice! Add it last, after the filling has cooked. Then you'll have a pie with that fresh lemon flavor.

If you think you can't make pie crust, try adding fresh lemon juice and a beaten egg to your pastry mix. This trick gives a flaky crust that literally melts in your mouth — and you can use it, regardless of the variety of filling in the pie.

Here are full directions for making the pie crust with lemon, and a real old-fashioned lemon pie filling as they do it in California, which supplies the rest of the country and Canada with lemons.

**Pastry**

3 cups sifted flour
1 teaspoon salt
1 cup shortening
1 slightly beaten egg
2 tablespoons lemon juice
Ice water

Sift flour and salt together. Cut in shortening. Add egg, combined with lemon juice. Add gradually just enough ice water to bind dough together. Roll pastry out thin and line pie plates. (This recipe makes three 8-inch single pie shells. Keep unbaked dough in refrigerator until needed.) Bake in hot oven (475° F.) for 15 minutes.

**Lemon Pie Filling**

1 cup water or milk
¾ cup sugar
¼ teaspoon salt
1 teaspoon grated lemon peel
5 tablespoons cornstarch
½ cup cold water
2 well-beaten egg yolks
1 tablespoon butter
6 tablespoons lemon juice

Bring water or milk, sugar, salt and lemon peel to a boil in saucepan on direct heat. Add cornstarch, blended with ½ cup cold water. Cook over low heat, until thickened (about 5 minutes), stirring constantly. Remove from heat. Add separately, mixing well after each addition, the egg yolks, butter and lemon juice. Pour filling into baked pastry shell.

A teaspoon of lemon juice added to the whites of 2 eggs and 4 tablespoons of sugar makes a tender meringue. Use the whites left from the lemon filling; beat until frothy; add sugar gradually. Continue beating only until egg holds its shape in peaks. Fold in lemon juice. Brown pie in moderate oven (325° F.) for 15 minutes.

**U. S. Milk Production**

Seventy per cent of the 7,000,000 United States farms produce milk.

### Mrs. Nell Caine Entertains At Luncheon

Mrs. Nell Caine, 395 Frankfort street, entertained at an attractive "luncheon for six" Friday afternoon at her home.

Enjoying the pleasant occasion were Mrs. Ann Eason, Mrs. Julia Byrne, Mrs. Margaret Holzworth, Mrs. Christine Davis, Mrs. Doris Perrasso and the hostess, Mrs. Caine.

### Albert Ray Ambrosio Christened, October 27

Albert Ray Ambrosio, two-month-old son of Mr. and Mrs. Albert Ambrosio, was christened at Our Lady of Perpetual Help church, Sunday afternoon, October 27. Father Thomas Phelan officiated at the ceremony. Godmother is Mrs. Alfred H. Hoare; godfather, Fred Ambrosio.

Following the christening, a dinner for relatives and friends of the baby was held at the home of the parents, 343 Citrus avenue.

Guests at the party included: Mr. and Mrs. Antone Sorich, San Francisco; Mr. and Mrs. John Ambrosio, Hillcrest drive; Mrs. Giofsredo, the baby's grandmother, Hillcrest drive; Fred Ambrosio, Thomas Cochrane and Mr. and Mrs. Hoare and daughter Lynne, 35 San Joaquin avenue.

# HUNDREDS SEEK FUN

## Hallowe'en Parties Draw Throngs Of Local Youngsters

Nearly 500 Daly City youngsters enjoyed WPA Recreation department-conducted Hallowe'en parties here on Thursday. Hundreds more roamed the streets in a search for holiday fun.

Witches, ghosts, goblins and jack-o-lanterns mingled together in a gay throng both at General Pershing school and in a private home near the recreation offices. Free cookies, candy and ice-cream were highlights for the children.

Both halls were crowded far past capacity, with many children milling around the streets. Although beans were nearly ankle-deep on Mission street the next morning, little damage was reported by police, who characterized it as the "quietest Hallowe'en in years."

Co-sponsors of the Hallowe'en parties included the city council and the recreation committee, the General Pershing and Crocker PTA units and the Women's Civic club.

"Much of the thanks for the success of our Hallowe'en parties belongs to the Daly City Fire department," Bruce H. Boynton, recreation director, said today. "A full company of firemen at each place kept the crowds in order and helped with other problems. They did a fine job and we surely appreciate it."

Boynton also expressed his thanks to those who worked so hard to decorate the General Pershing school. A witches' den, goblins and ghosts at the windows and other realistic decoration added much to the party's success.

## Relief Roll Declines—

San Mateo county's relief roll has been steadily declining since last spring and now less than 100 families are receiving SRA aid in the county, it was announced today.

Edwin J. Cooley, area director, said today that San Mateo County's SRA roll had declined during the past five months because of an upswing in employment caused largely by the national defense program; because WPA employment level has not declined in this period, and because of the new strict eligibility requirements imposed by the legislature last Spring.

A year ago there were 275 families on the SRA roll in San Mateo county, Cooley said.

## Pershing PTA Names Mrs. Caine Secretary

Mrs. Nell Caine, 395 Frankfort street, has been named new corresponding secretary for General Pershing PTA, Mrs. Virginia Davidson, president, said today. Mrs. Caine is a charter member of General Pershing and has held many offices since the unit's organization in 1929. She replaces Mrs. Ann Lucas who recently moved to Los Angeles to make her home.

The executive board announced today that plans are rapidly nearing completion for the opening of the school cafeteria November 25, and that more volunteers are needed. Officials stressed the fact that members are asked to work only one day a week each, for an hour or two. Last winter General Pershing PTA served more than 4,000 hot school lunches during the four months it operated. Between 400 and 500 of these lunches were free.

Representing the unit at the district executive board meeting Monday in the Burlingame high school was Mrs. Davidson.

## Colma PTA Plan Anniversary Party

Colma Parent Teachers' association will stage one of their largest events of the year, Tuesday afternoon, when they celebrate their eighth anniversary.

A birthday luncheon will be held at 12 noon at the R. S. Thornton school, followed by the regular meeting at 1:30 p. m. Guests of honor will include: Mrs. George Bruns, seventeenth district president; Mrs. F. Stanger, Mrs. R. Holder and Mrs. E. Bartlett, organizers of the unit; R. L. Crane, district superintendent of schools; Miss M. Traynor, Jefferson school principal, and Mrs. H. Colwell, R. S. Thornton school principal.

The unit has issued special invitations to all charter members and to neighboring unit presidents. The committee in charge urges all members to attend this gala birthday celebration.

## Sew And Sew Club Attend Ceramics Class

Sew and Sew club of Crocker PTA will meet at 9:45 a. m. tomorrow for a two-hour session at the women's ceramics class at Jefferson Union high school. Members report that they are looking forward with enthusiasm to tomorrow's gathering. The class, taught by Miss Jehan Dorn, is sponsored by the local WPA Recreation department, and is open without charge to anyone.

Following the ceramics work, the Sew and Sew's will meet for luncheon at the home of Mrs. Vivian Pahlka, 569 Winchester street. More than a dozen members were entertained last week at the home of Mrs. Emma D'Isep.

Officials urge all members "not to forget to talk to Dad about the evening meeting at Jefferson Union high school Tuesday." The time, formerly announced as 8 p. m., will be 7:30 p. m. instead, since this is the Jefferson unit's regular meeting time.

# Youthful Journalists

Instead of publishing "The Herald," Woodrow Wilson elementary school paper, as one publication, this year each room is editing and distributing its own newspape r. Shown above are the editors for each room: front row (left to right), Herbert Fensin, room 12; Shirley Miller, room 15; Shirley Chester, room 9; back row (left to right), Hugh Llewellyn, room 8; James Rooker, room 4; Frances Mjehovich, room 5; and Beatrice Moran, room 14.

All stories are prepared by pupils in the respective classrooms. Size ranges from 4 to 6 pages; publications appear once each term.

## Student Killed—

Robert Silva, sixteen-year-old San Mateo high school sophomore, was killed instantly last Tuesday in Burlingame when his head was struck by a power pole as he clung to the steps of a crowded street car.

Witnesses said he had pulled himself close to the car to avoid a bridge railing and then leaned out again. The accident occurred early in the morning at Edgehill and California drives before the horrified gaze of a score of the youth's fellow students.

**Freak Hunting Death**

**Harold Strain, Gold Beach, Ore., 16-year-old hunter, was killed by a bullet that had passed through and killed a deer. Strain was standing in the line of fire when his hunting partner, not knowing he was there, fired the fatal shot.**

# Henry Wendell Jr. Honored At Party

Henry Wendell jr. was feted at another going away party, Saturday evening, at the home of his parents, Mr. and Mrs. Henry Wendell sr., 56 Vendome avenue.

The many friends who came to bid "bon-voyage" to Wendell jr. were: Mr. and Mrs. Wittenburi, Mr. and Mrs. Schulet, Mrs. Yolanda Bertini, Mr. and Mrs. Mailey, Enrico Bertini, Mr. and Mrs. Etcel, E. Walker, Mr. Wegman, Mr. and Mrs. Glasner, Mr. and Mrs. Jack Falk, John Kramer, Mr. and Mrs. H. Prouty, and the Misses Marie Wagner, Louise Wagner, Eleanor Kelly, Naida Wendell, and Lena Bertini.

In the earlier part of the evening, dancing was enjoyed. Later a delicious dinner was served. Henry Wendell sr. acted as toast master for the many speeches given in honor of his son.

Wendell, who is scheduled to leave tomorrow to join the Marines, received many handsome going-away gifts.

## Tigerettes Initiate Three New Candidates

Three new candidates were initiated into the Tigerettes club at a dinner-dance at Uncle Tom's cabin Friday evening. Jean Lombardi, Mary Galliotti and Yvonne Davidson were inducted into the order with colorful ceremonies, highlighted by the appearance of four club members in the orchestra—Laura Lombardi at the drums; Eda Venturino, piano; Yolanda Lucchesi, saxophone, and Yvonne Davidson, vocalist.

Table decorations were in red and white, while each girl wore a lovely white corsage with a red "T" in the center.

Present were Jean Lombardi, Mary Galliotti, Yvonne Davidson, Laura Lombardi, Eda Venturini, Elma Pierini, Yolanda Lucchesi, Deva Lucchesi and Minnie Tognetti.

# Invite Degree Team To Tracy

From Tracy, California, last week came an invitation to the degree team of Old Glory Post No. 2044, Veterans of Foreign Wars, to perform the ritualistic work for the initiation of a class of 40 new candidates into the Tracy post.

Headed by their captain, K. V. Doolin, the group went down for the occasion on Monday evening. Included on the team were Walter Dorn, Frank Weber, Pete Sunseri, Walter Lehigh, Jack Martin, M. V. Jensen, Howard McHugh, Ralph Ellinwood, H. H. Hendersen, Alex Albertus and Ray Brulez.

Several members of Old Glory auxiliary accompanied the team to Tracy in order to attend the auxiliary meeting there the same evening. Included in the group were Mrs. Ruth Brulez, president; Mrs. Ethel Dorn, Mrs. Allene Lehigh, Mrs. Nellie Jensen, Mrs. Rose Doolin, Mrs. Bonnie Ellinwood, Mrs. Mary Sunseri, and Mrs. Etta Martin.

BUY THE RIGHT SIZE GAS CIRCULATING HEATER

Like head-size in hats there is a heat-size in Gas Circulating Heaters. The right size fits and one feels its instant comfortable rightness.

Too often folks buy a Gas Circulating Heater they guess will be all right. Such guesswork usually means getting a heater that is too small. Then when cold snaps put the temperature far below the comfortable seventies—that small size heaters blazes away "full-on" because it has no reserve capacity. And it takes an uncomfortable long time changing a chilly room into a comfortable warm room.

This month, dealers everywhere are displaying the latest in efficient, attractive, economical Gas Circulating Heaters. You'll be sure to find in their extensive selections a heater that is right for your need and right in a price that fits your budget. Let your dealer or this company help you with expert advice. Don't guess!

# COUNTY ELECTION RETURNS

## Thomas Hickey Wins Supervisorial Post In Race

**Daly City, Colma, Sharp Park and San Pedro followed the nation-wide landslide for Roosevelt last night as totals from all precincts in these four communities ran in favor of the president to the tune of 3858 as compared to 1587 for Willkie.**

**For supervisor Dolan won here by more than a three to two ratio, even though he lost out in the county. Dolan polled 3037 here as compared to Hickey's 1957.**

**Local voting on county propositions paralleled trends throughout the county. Proposition numbers 1, 2 and 3 were soundly beaten, while a favorable vote prevailed on number 4.**

**See tabulation at bottom of this page for precinct by precinct results.**

## S. M. Red Cross Workers Meet To Map Drive

Approximately 300 San Mateo county Red Cross workers met at the Hillsborough country club last week to map out details of the annual membership drive starting Monday and to hear reports of the past year's activities. Representing Daly City was Mrs. Eva I. Page, 1940 roll-call chairman.

More than $11,079 has been expended by the San Mateo county chapter during the past year, it was pointed out. Activities have included public health, home service, first aid and life-saving classes, disaster relief, Braille instruction, Junior Red Cross, war relief and other public services.

In Daly City the chapter has paid the salary of the doctor in charge of the Daly City Well Baby Clinic, which has examined 433 children during the past year.

The school nurse has supervised 2300 children in the county, travelling more than 9600 miles, while visiting nurses have covered 23,885 miles.

Emergency relief has been administered to 334 cases, while 26 persons were given disaster aid in the Pescadero flood.

Exceeding its quota of $18,000 for war relief by more than $5,000, the San Mateo county chapter has been tireless in its effort to alleviate suffering in other nations.

## America Elects It's National Leaders

AMERICA VOTES
THESE UNITED STATES:
Population, 131,409,881
Area, 3,026,789 square miles
Number of electoral votes, 531
Votes cast at last election, 45,646,817
CANDIDATES FOR PRESIDENT
Democratic - Franklin D. Roosevelt
Republican - Wendell L. Willkie
Socialist - - - Norman Thomas
Prohibitionist - Roger W. Babson
Communist - - - Earl Browder

**America saw Democracy in action yesterday with more than 45,000,000 persons voting for state and national officers. Democratic candidates for President and vice president (left) above were Franklin D. Roosevelt and Henry A. Wallace; Republican candidates shown to the right are Wendell L. Willkie and Charles L. McNary.**

**President Roosevelt was an overwhelming victor in yesterday's race. On the basis of still incomplete returns, he was ahead in 37 states with 433 electoral votes.**

## They Knew Whom They Wanted

Maybe they aren't old enough to vote but they certainly know whom they want to see in the White House.

Students at Jefferson Union high school yesterday cast a straw vote for their favorite presidential candidates. Result: for Roosevelt, 475; for Willkie, 141.

Voting came as a climax to a debate, "Roosevelt vs. Willkie," staged during assembly period.

## Cubs To Learn Glider Construction

Cubs of Pack No. 141 will meet this afternoon at Cubmaster Joseph Straughan's home, 25 Los Banos avenue, to begin a course in model glider construction under the expert instruction of Harold Donnelly.

Donnelly is a member of the Scout and Cub organizer band of the San Francisco Area council, and is a prominent member of the local unit, Amateur Aeronautical association.

The Cubs will each construct two glider models—one for trials and one for the Scout-Cub field meet, November 16.

## Boy Scouts To Hold Field Day Nov. 16

Bodien Park, Citrus avenue at Niantic street, will be the scene of a lively Boy Scout activity on November 16. Scoutmaster Joseph Straughan's Troop No. 141 and Cub Pack are planning a field day program to start at 11 a. m., and continue until 4 p. m.

Addresses by city officials, dedication ceremonies, demonstrations, contests, and games are scheduled on the program. Lunch will be served visitors at a nominal cost. Scoutmaster Straughan sent an invitation to the entire community this week to attend the affair and announced his intention of running a complete program of the day in next week's edition of The Record.

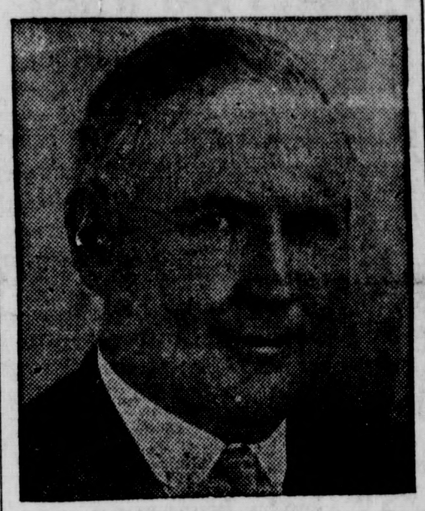
**Cleveland Relief Measure**

**Cleveland relief authorities have ordered the impounding of license plates of relief clients and members of their families who own automobiles. "If these people want to own and operate cars," City Relief Commissioner Frank G. Jones said, "they will get themselves cut off relief rolls."**

**Aviation Employment Up**

**As the result of sharp increases in both foreign and domestic airplane orders, California's aviation industry is employing 60 per cent more men than a year ago.**

## New Supervisor



**Thomas Hickey, South San Francisco, was the winner, yesterday, in the county supervisorial race.**

**Nickel in Television**

**Television promises a new outlet for nickel. Vital as the device that translates the electrical impulses into visual patterns, the cathode-ray tube may require up to eight times as much nickel in its construction as does the conventional wireless tube. Associated with it in the receiving set are 18 to 36 radio tubes, as compared with 4 to 16 employed in the metal and its alloys are also used in the transmitting equipment.**

# DALY CITY FOLLOWS LANDSLIDE

## Dolan Favorite Candidate Here For Supervisor

**President Franklin Roosevelt took a slight lead over Wendell L. Willkie in San Mateo county as returns from more than 200 of the county's 254 precincts were tabulated by 6 a. m. at Redwood City. The president's total stood at 22,699 while the Republican candidate's votes lagged at 20,446.**

**Folowing a hot supervisorial race Thomas L. Hickey ran a four to three lead over his opponent Daniel A. Dolan. From the 200 precincts Hickey tabbed 20,-**671 votes to Dolan's 15,235.

County proposition numbers 1, 2, and 3 seemed definitely beaten, however the "yes vote" was slightly out in the lead on number 4.

1. Change in the status of the county executive's office from elective to appointive: Yes, 15,200; No, 20,400.

2. To provide for filling the office of county executive in event of temporary vacancy: Yes, 15,320; No, 18,402.

3. To have the county executive act only in an advisory capacity in approving claims: Yes, 15,-520; No. 18,346.

4. To establish limited civil service: Yes, 17,836; No, 17,347.

## Civic Club Holds Meeting

Mrs. Lillian Cavagnaro was surprised with a lovely mirror for her new home presented last Thursday evening by the Women's Civic club when they met in regular session at her home, 428 Irvington street.

Following a brief business session, the group enjoyed a game of whist and attractive refreshments served by the hostess.

Guests included Mrs. Amelia Lewis, Mrs. Andrew P. Chesney, Mrs. Margaret Fields, Mrs. Martha Linden, Mrs. Marie Poole, Mrs. Mazie Boyle, Mrs. Marie Gehrig, Mrs. Mallawany, Mrs. Dora Holmberg, and Mrs. Ann Eason.

Next meeting of the club will be held at 8 p. m., November 28, at the home of Mrs. Martha Linden, 467 Niantic avenue.

## Modern Welding Equipment Available

Modern welding equipment has been placed at the disposal of anyone interested in practicing welding by Clarence Paige and son Charles, operators of the Daly City Welding Works. There is an increasing demand for good welders, according to Paige, and the old adage, "Practice makes Perfect," should pave the way for a good welding job.

Paige has resided in Daly City for 16 years. He took over the welding establishment at 7099 Mission street more than a year ago. Both gas and electric welding outfits are available.

### Funeral Rites For Edward Rider, 66

Funeral rites were conducted for Edward Rider, 66, resident of Daly City for 34 years, from the W. C. Lasswell chapel Saturday morning. Rider succumbed to a heart attack Thursday at his home, 1066 Hanover street.

A requiem mass was performed at Our Lady of Perpetual Help church. Interment was at Holy Cross cemetery.

Surviving the well-known Daly City pioneer are a daughter, Mrs. Helen Rode; a son, Louis E. Rider, and a sister, Sister Theocleta of the Order of St. Joseph, Minneapolis, Minnesota.

### Joy Boys Elect Two New Officers

Robert Hunting, 222 Vista Grande avenue, was elected high chief of the Joy Boys at Grace Nazarene church, Sunday, while Paul Willbanks, Market street, Colma, won the office of scroller. The two will replace former officers Robert Thompson, high chief, and Richard Raanes, scroller, both of whom have graduated into a higher class.

Other new members include Jackie Hines, Bernard Volker and Harvey Ferier.

# DALY CITY HAS SAFE STREETS

## Enforcement Of Traffic Laws Pays Dividends

Safe streets due to rigid enforcement of traffic laws—this is the proud record that Daly City police can claim today, as the purchase of a new motorcycle centers the city's attention upon local police problems.

Since the inauguration of strict motorcycle patrol by Officer Ricco Benedetti in 1937, not one single day-time death has occurred on any Daly City street as the result of an automobile accident, Police Chief James G. Reardon pointed out today.

Benedetti first joined the local force in May, 1936; on July 4, 1936 a car he was pursuing cut out in front of him, wrecked his motorcycle and sent Benedetti to the hospital for five months with a broken arm and leg.

Early in 1937 he resumed his work of safeguarding the streets of this community. It is estimated that since that time Benedetti has brought in an average of fifty traffic cases a month, totaling fines ranging from $200 to $300.

But more important than this record is the fact that Benedetti, assisted by other members of the department, has cut traffic accidents and fatalities to a minimum in Daly City. Children crossing the streets from school, old men and women, drivers and pedestrians—all are protected by the careful surveillance of police officers on Daly City streets every day of the year.

"Daly City has an outstanding record in traffic safety," Chief Reardon said today. "We cordially urge the public to cooperate with us to keep it that way. Care in walking and driving, observance of signals and obedience to traffic rules will do much to help in our fight to preserve life and property."

Police Chief James G. Reardon and Traffic Officer Ricco Benedetti photographed beside Daly City's new police motorcycle.

**Poodle's Moniker**

A small poodle probably has the longest and most cryptic name of any dog in Boston. A woman brought the pup into a police station to get a license for "Joy Barker-Snozzle Drop-Kelley."

**Television 'Make-Up'**

Actors' make-up has changed constantly since the inception of television. About 1930 the actors painted their faces white and their lips black, but the present make-up is very similar to that used in the movies.

**'Youthful' House Paint**

Home owners faced with the problem of making old houses look younger may try coloring them with "youthful" paints. This can be done with almost any type of construction. Side walls of wood, brick, or stucco may be painted with paints specially prepared for each surface. Roofs may be covered with one of several different types of factory-colored shingles, and color accents may be provided in window blinds and front doors. A popular new exterior color combination consists of light salmon-colored walls, emerald-green roof, and a flame-colored front door.

**Now It's a Malady**

School children who play "hookey are prompted to do so by an uncontrollable malady, in the opinion of C. T. Stewart, assistant director of census and attendance, Atlanta, Ga. So, instead of inflicting punishment, efforts will be made to discover the cause and take suitable curative steps.

**An About Face**

Washington county, Alabama, voted for state-controlled liquor in a referendum two years ago by a count of 666 to 447. Now it has voted to do away with liquor by a vote of 744 to 201.

**Ancient Reptile Skeleton**

The skeleton of a reptile that lived in the middle Permian period, 200,000,000 years ago, has been mounted in the Transvaal museum at Pretoria, South Africa. The work of mounting the skull, 26 vertebrae, shoulder girdle and the right hind leg required 20 years.

Shakespeare is credited with having had 24,000 words in his vocabulary.

**Weatherbeaten Woodwork**

A method by which an old weatherbeaten effect can be achieved on new knotty pine woodwork has been devised by paint authorities. Paint experts advise the sponging of the surface with a fairly strong solution of ammonia or soda. If a dark finish is desired, make a stain of raw umber thinned with turpentine and add enough varnish to bind it. Prepared varnish stains are available for this purpose if preferred. A thin coat of reduced shellac or dull varnish may then be applied, followed by a coating of wax.

**Light Ray Messages**

Messages by light rays were described as an almost interception-proof means of communication during warfare by Dr. Phillips Thomas, research engineer of an Indianapolis electric company. The method would be especially effective in communication between the ground and planes in the air, he pointed out, asserting a message could be intercepted only by cutting into the beam directed at the plane. Other electrical developments demonstrated were a "sterilamp" which he explained would destroy all germs in a given confined area, such as a hospital operating room, and a "black light" which produces various colors.

**'Gone With the Wind'?**

Members of congress have been asked to help suppress the moving picture, "Gone With the Wind." The Malcolm Ammidown Woman's Relief corps, of Southbridge, Mass., wrote to senators and representatives urging the film be banned as "an insult to the Grand Army of the Republic."

today issued the following stirring appeal:

**Mr. and Mrs. Daly City:**

Once again the Red Cross is appealing to you for support. We are faced with unsettled world conditions causing widespread suffering—men, women and children in want and looking to the Red Cross for help.

Lend a helping hand to those in need. Be generous. Join the Red Cross now.

Fifty per cent of all monies collected stays in San Mateo county. You not only help those far away but those in need in your own county.

Thanking you for your very generous contributions in the past and anticipating the same generosity now, I am,

## Questionnaires

(Continued from Page 1)

the war department instead, draft officials said.

Other registrants will have the usual five days in which to fill out the eight-page information leaflets. When these questionnaires are returned the men will be assigned to one of four classifications:

1. Available for service. 2. Deferred because of occupation. 3. Deferred because of dependants. 4. Deferred on legal grounds or because unfit for military service.

If a man is placed in class 1A—those immediately available—and does not think his draft board has acted fairly or wisely, he may appeal his case to the district appeal board.

In Washington, Dr. Clarence A. Dykstra, national director of the draft, announced that it is unlikely that any registrant whose number was drawn after the first 1500 taken from the bowl will find himself in any Army camp before next July 1.

Other estimates said that those whose numbers were drawn after the first 2000 were not apt to see service for almost a year at least and many of them not at all, because of the deferment for various reasons.

## To Organize Advisory Board

(Continued from page 1)

pointed advisory chairman of district 103, will name his assistants within the next few days. Approximately 30 persons from this area, which includes Daly City, South San Francisco, Brisbane, Bayshore and several Coast communities, will be asked to serve on the board.

The board will probably meet before the end of next week to discuss the questionnaires and interpretations of instructions. The group will then set the hours it will keep to assist registrants in filling out the eight-page information leaflet.

Advisory board chairmen and members are volunteers, serving without pay. District chairmen were nominated by the American Legion and Veterans of Foreign Wars. Board members are appointed by the chairmen to the ratio of one member to each 1000 population.

**Ivy's Symbol**

The ivy has always been a symbol of the clinging love of woman. The altar of Hymen, the Greek god of marriage, whose blessing was invoked at every wedding, was kept green with ivy. In the legend of Tristan and Isolde, two ivy vines, entwining, are a symbol of the undying union of the lovers.

**Something Wrong**

Stanley Gronski, age 44, Springfield, Mass., was convicted of drunkenness after a policeman testified he was walking along East Main street at two a. m.—tearing up $5 bills.

## Veteran Firemen Meet November 1

Daly City Veteran Firemen's association members held their regular meeting at 188 Santa Barbara avenue, Friday evening. President Tony Gaggero presided.

Comrade Shaw discussed amendments 1, 2 and 14 on the November 5 ballot.

A suggestion by Chaplain Past President Comrade H. W. A. Rickmann that a drawing for turkey be held was met with enthusiasm. Comrade Past President Paul Selmi was lucky. Comrade Tom Koskinen was fortunate, too.

Director William Goldkuhl arranged the sign on the wall and urged veterans to attend next month.

Comrade E. Rohmer was nominated for the office of marshal.

Comrade D. F. Donovan was in attendance for the evening. Comrade Director Gus Schenck stated that the round table donated by Comrade Peterson would fit nicely in one corner of the room. All past presidents and directors said something good under the good of the association.

The evening was climaxed by the serving of an attractive buffet supper, prepared by Comrade Chef John Hesslein.

**Canadian Sport Fishing**

**Remarkable progress in the development and extension of sport fishing areas in the national parks of Canada is reported by the department of mines and resources, Ottawa, which administers Canada's system of national parks. As a result of biological surveys and subsequent stocking operations in the various lakes and streams, particularly waters once barren of fish, visiting anglers may now enjoy good fishing in many waters where previously there was little or no fishing available. One of the outstanding achievements has been the successful introduction of the speckled trout from its native haunts in eastern Canada into many of the clear, cold waters of the national parks in the Rockies.**

## Remodel Daly City Cut Rate Market

Jim Raimondi and Tom Passantino, proprietors of Daly City Cut Rate Market, 6309 Mission street, this week welcomed customers to their newly remodeled store and inaugurated a serve-yourself policy.

Jim and Tom took over Cut Rate Market approximately one year ago and during the past twelve months have built a steadily increasing list of satisfied customers. They feature garden-fresh vegetables, excellent fruits, quality staple lines, and delicatessen items.

Lou Gallenti serves as a full time clerk at Cut Rate Market and on rush days the establishment hires several additional clerks. Telephone orders and free delivery are outstanding advantages offered customers by Cut Rate Market.

## Joe Zacheo Is New Grocery Proprietor

Joe Zacheo, for long a successful grocery store proprietor in the Mission district and at San Carlos on the Peninsula, became proprietor this week of Ed Knoll company, 6001 Mission street.

In an interview with a Record representative yesterday, Zacheo revealed a detailed plan to offer new lines of merchandise and additional services to his many customers. Morning fresh fruits and vegetables will be featured daily. A complete line of quality staple foods and delicatessen foods are as near as housewives' telephones. Joe also promised prompt free delivery service.

Joe Zacheo is a disabled American veteran of the World War, a member of the San Mateo County Edmund Parrott chapter, and a member of the American Legion.

Joe Doyle jr., popular young butcher and manager of Ed Knoll meat department, will continue to serve county line housewives with quality meats, priced at distinct savings.

# Defense Edition Brings Recognition

## Daly City Record Wins National Honors

(Continued from Page 1)

Auxiliary, Western Newspaper Union's newspaper, carried a third story.

Letters of congratulation have streamed in from such distinguished places as the United States White House, Senate, and Congress; United States War department, California State Legislature, Governor's office, offices of The National Publisher, National Editorial association, state and local press associations, and local citizens.

Published on this page are three of the letters recently received by The Record.

# Armistice Play

(Continued from Page 1)

el Menjou—Ruth, a girl; George Wallace—Bill, a former soldier; Bill Clement—a son, and Andrew Parodi—newsboy.

Adding greatly to the effectiveness of the play will be the stage sets prepared by Durant Mosely and his stage crew. Lighting effects will play a major part in capturing the atmosphere of the play's setting—a park at the foot of a statue of Columbus at the close of the World War.

The high school chorus, under the direction of Oscar Busch, have chosen a number of choral selections particularly slanted to capture the mood of the Armistice period. First number will be "America, The Beautiful," with Ruth Basso at the piano. Other selections will include "The Lord's Prayer," Eugene McClain at the piano, and "God Bless America," Norman Wiseman at the piano.

According to Roy DiVencenzi, in charge of publicity, the program will begin promptly at 8 p. m. The public is cordially invited but grammar school students will be admitted only when accompanied by their parents.

Neither high school nor grammar school students will report for classes next Monday, Armistice Day.

# Lee Tracy To Star In Geary Theatre Comedy

San Francisco theatergoers whose judgment has sent a score of new stage play candidates to the Gotham theater in the past decade will be enabled to cast another verdict when Arthur Hutchinson and Arthur Ripley present their metropolitan world premiere of "Every Man For Himself" starring Broadway's favorite comedian, Lee Tracy, at the Geary theater, Monday night, November 11, in a two-week engagement.

Producer Hutchinson made his local debut with "Oscar Wilde." That piece of superb theatrical craftsmanship was staged by Ripley, who will superintend this department in the new Broadway-headed opus which was authored by Milton Lazarus, a youthful playwright with three click hits to his credit.

While "Every Man For Himself" represents a distinct departure from the drama Producer Hutchinson chose to make his bow in West Coast theatricals, he confesses it is the ideal type with the legitimate theater.

With co-producer Ripley, Playwright Lazarus and a staff of scouts, Hutchinson has raked the rosters of talent to surround Tracy with a cast of familiar broadway players. In the feminine department fortune smiled when film bosses granted temporary leaves to Kay Linaker and Susan Fox, snatched from the Eastern theater when they won recognition.

Seats went on sale yesterday.

**Dear Sir:**

**I have been reading with a great deal of interest your issue of the Daly City Record of Wednesday, September 18, 1940. I was very gratified to see your article on page 9 pointing out the advantages of service in the Regular Army, your editorial on page 10, and your full pages 12 and 13.**

**I think you have succeeded, in your article on page 9, in presenting to the public the outstanding points with reference to the needs of the Regular Army in the matter of personnel, and in making a strong plea to help the Army reach its expansion objective. Your summary of the advantages of Army service presented on pages 12 and 13 also is well designed to serve the same purpose.**

**Your cooperation and that of the participating merchants is highly appreciated.**

**My dear Mr. Boynton:**

**Please accept my sincerest congratulations upon the progress of the Daly City Record under your stewardship. Being a constant reader of your paper, I have noticed many improvements in its various departments.**

**Your new type faces and style of make-up are striking and most attractive, to say nothing of the improved readability of the news. Your coverage of the territory you serve is excellent, as is evidenced by the increased advertising your paper reflects. Especially do I want to commend you upon the edition you put out, partially in color, on September 18th. It was really a journalistic achievement for your type of paper.**

**I am happy to note that you cling to the policy I have always believed most beneficial to community newspapers, that of devoting themselves almost exclusively to local news. Community newspapers have not the facilities to compete with the great metropolitan dailies, so it is my opinion their greatest service is performed by keeping the community informed on strictly community affairs.**

**Men high in your field concur in my opinion that no publication is more thoroughly read than the community newspaper, and there is no greater factor for the community good than an alert, progressive and intelligent community publication. You have followed this policy, and in so doing have rendered Daly City and its adjacent areas a real community service of which it should be proud.**

**With best wishes for your continued success, and with kindest personal regards, I am**

**Sincerely yours,**
**H. L. PARKMAN.**

**Daar Mr. Boynton:**

**As Editor and Publisher of Daly City's pioneer newspaper "The Daly City Record," I should like to take this opportunity to congratulate you on the fine progress which has been made by your newspaper.**

**Not many of us are aware that when you took over publication of the Record that there were only two or three employees, and today their are eighteen capable and efficient people constantly striving to put out a bigger and better publication. Week after week your fine publication has and is finding its way into hundreds of homes of our local people, and is looked forward to with interest and eagerness. Your publication has been made the success that it is, not only by you and your efficient staff, but by the very able cooperation of our residents and merchants.**

**In your publication are incorporated practically all of the fine features to be found in any large metropolitan newspaper. But the greatest degree of success of any publication is measured by fairness and impartiality with which all controversial issues are dealt with. The Record has always and will I am sure continue to see both sides of all issues.**

**Your publication is among the best in the state for communities of similar size, and this is a great asset to the city of Daly City which we as residents can well be proud of.**

**Your publication is supported wholly by local merchants and residents, and all funds derived from your publication sooner or later find their way into the channels of our local merchants and industries. Such cooperative spirit tends to promote the success of any venture.**

**As one who has been a subscriber to your publication for a long time, and one who will continue to be a subscriber to your publication; I wish you continued success, and I remain,**

**Yours very truly,**

## Music

Have you noticed all of the excitement going on over in the band room lately? Well, if you want to know the reason just go up to any band member, and ask to see his new music pin. They sure are honeys! (pardon the slang, but they really are just that).

The musicians are all proud of their pins, and they can be seen polishing them every once in a while. "Just wait 'till we get our new sweaters, and we'll look like hum-dingers," said Roy DiVencenzi.

A "treble clef" attached to a gold numeral "40" by a tiny chain made up the darling pins worn by the girls. The boys' pins are the same, except in place of a treble clef they have a music lyre.

When asked where the pins came from, Oscar Busch said, "On behalf of my instrument players, I wish to extend a vote of thanks to the Rowland Music company for furnishing these pins."

Thursday, the student body was entertained by Lembi's Cowboy band at an assembly. Everything from mother's old wash board to pop's automobile horn made the band complete.

The boys are now preparing a program to present for the Eagles at their annual Christmas Party.

## Classes

### SENIORS

Graduation is drawing near and the seniors can be seen saving a penny here and a penny there. Senior assessments were due, Friday, and all of the students came through their "penny scraping" with flying colors.

### JUNIORS

Last Wednesday, student body president, Bill Rigler, presented the student body card pennant to the Junior class. John Domecus, Junior president, was congratulated by Rigler on behalf of the student body for the class's fine cooperation.

Each semester the pennant is given to the class with the highest average in the sale of student body cards.

### Public-Speaking

Yesterday an exciting assembly debate was held under the direction of Sigfred Hansen, public speaking instructor.

The subject of the debate was "Roosevelt vs. Willkie." The students did a fine job and brought out many interesting facts about both of these prominent men.

Taking the Roosevelt side was a team consisting of Ralph Matteucci, Bob Lee and Ann Mjehovich. Opposing them and taking the Willkie angle were Bill Clement, Adele Mejou and Rosemary Loney. Chairman of the day was Lawrence Caserza.

### JOURNALISM

Saturday, November 9, the Journalism class will attend the annual meeting of the Central Scholastic Press association at Stanford university. The delegates will attend conferences during the morning and afternoon; make a tour of the campus, and have dinner and supper at the college.

Students are expected to attend this conference from Santa Marie to Chico, numbering approximately 300. Ralph Matteucci, editor-in-chief of the Totem Pole, and Norma Barker, associated editor, will be the two lucky students from Jefferson to attend.

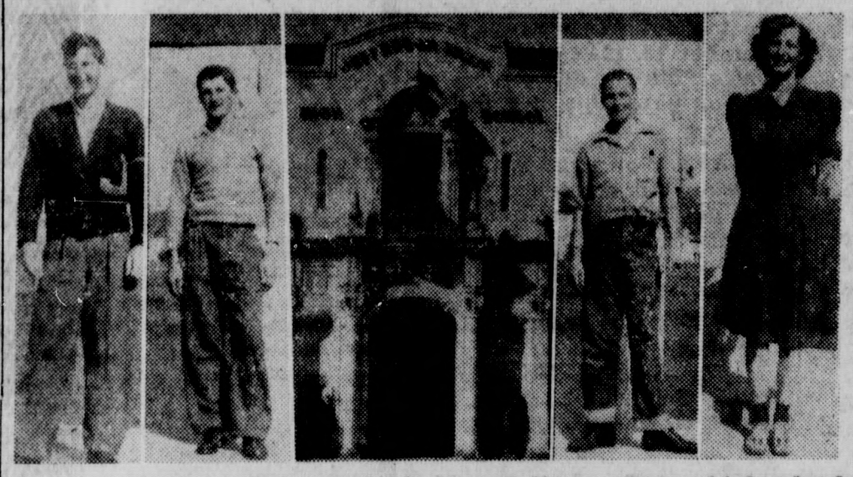
## Speaking Of Presidents - - -



**Introducing a few presidents from Jefferson Union high school: Bill Rigler (left, first) is president of the student body. A member of the Block "J" society and of the entertainment committee, he is studying to be an electrical engineer. He hopes to continue his studies at San Francisco junior college after graduation in January.**

**John Domecus (left, second) heads the Junior class. Domecus, who hopes to get into clerical work upon graduation, plays forward on the 30's basketball team.**

**Gene Pidgeon, (right, first) Sophomore class president, plays full-back on the Frosh-Soph football team. Career plans center about civil engineering for this enterprising young fellow.**

**Norma Barker (right, second), Senior class president, has held several important offices at the high school. She has served as student body secretary and GPAL manager. A member of California Scholarship federation, she plans to be a Certified Public Accountant and will probably attend San Francisco junior college upon completing her work at Jefferson in January.**

**Jack Andriola, absent the day these pictures were taken, heads the Freshman class.**

## Campus Fashions

Say, did you know that suntan is taboo during autumn?

After taking such pains to acquire a lovely, luscious soft pastel brown, it has been said by fashion experts that it won't be considered a beauty asset this fall. The wise girl will set to work and try to achieve that peaches and cream skin.

Why isn't it an asset?

Well, first of all, remember that while sun is a good energy-builder and gives you needed vitamins, the rays and heat, which achieve these results, also dry out the natural oils in the skin.

How can you get back into condition?

Before starting the use of bleaching lotions it would be a good idea to go to your beauty parlor and have at least one massage. Ask your operator to use a nourishing cream rich in oils or fats for this massage and arrange to let it stay on at least fifteen minutes.

Is that all you have to do?

No! To keep up the good work, started by your beauty operator, you should invest in a jar of cream, like the one used by your operator. Apply it nightly for at least a week before starting to use any bleaching cream or lotion.

What do I do with the bleaching cream?

After you start with the bleaching treatment it is a very good idea to rub some of the nourishing cream into your skin every night and let it stay a few minutes. Before applying the bleach wipe every bit of the nourishing cream off. Then bathe your face and neck in warm, but not hot water, and apply the lotion.

Then what happens?

If you follow this simple routine regularly in two or three weeks you should have one of those famous "skins you love to touch."

This week we compliment a high senior, and quite a popular Miss around the old school house. Dressed in a darling outfit of royal blue and white, she told me that she intends to attend San Mateo junior college upon her graduation in January.

Her outfit was partially borrowed from the boys' department, as she appeared in a royal blue boy's slip-on sweater. Combined with a white skirt with little buttons running up and down the front, it did indeed make a chic campus outfit. So this week we hand a large fashion bouquet to Miss Deva Lucchesi.

### GPAL

**Splash! Splash!**

Jefferson's mermaids put on a fairly good showing in their color meet with Sequoia, Friday. The loss in the 25 yard free style didn't bother the girls a bit, as they went out to capture two second and two third places in the other events.

Virginia Adams came in with a 20 second timing to capture third place in the 25 yard back stroke. Marian Nelson took second place in the 25 yard breast stroke, with a timing of 22.6.

In the 50 yard free style, second place was captured by Beatrice Putnam with a timing of 38.6.

In the relay Jefferson came in third place, with the following girls: B. Putnam, M. Nelson and V. Adams.

## Daly City Motorman Has Narrow Escape

Gilbert Sheehan, 248 Hillcrest drive, Market Street Railway motorman, narrowly escaped death Sunday when the street car he was driving crashed with a fifteen-ton truck at the intersection of Sixteenth and Utah streets.

So great was the force of the collision that the front of the street car was telescoped back almost to the first passenger seats. Seeing that the wreck was inevitable, Sheehan dodged away from the controls barely in time to save his life. The platform on which he stood was left a mass of splintered wood and twisted metal.

With eight passengers of the street car, Sheehan was given emergency treatment for shock, cuts and bruises. Occupants of the truck were uninjured.

## Student Government

Main discussion of the regular meeting of the executive board revolved around the matter of purchasing a trophy. Howard Vierra, chairman of the committee, asked the executive board what their pleasure was on the inscription to be engraved on the plaque. A suggestion was made that "Jefferson-South San Francisco traditional trophy," be inscribed on it. This matter will be taken up with the committee itself, and a decision brought into the next meeting.

The sergeant-at-arms committee was asked to take charge of keeping the students in line in front of the school store. Bab Johnson is to appoint two of his committee to this job.

**ASSEMBLY**

Last week the Jefferson student body enjoyed a very interestng address on Alaska by Dr. Lester Henderson. Henderson, district superintendent of Elementary schools in Burlingame, and former commissioner of education in the Territory of Alaska, gave the students a vivid description, as to the size, climatic conditions, big game, population and the salmon industry, of Alaska.

**'Self-Made' Farmer**

**Charles McCartney, a farmer near Sigourney, Iowa, uses only articles of his own making. He built his own house, furniture, barn and plow. He and his family wear only goatskin clothing, which he makes himself.**

## Schools To Observe Education Week

"Education for the Common Defense" is the theme of American Education Week to be observed November 10-16. Observed nationally, the program drew this comment from President Franklin D. Roosevelt.

"It is more important now than ever before that our schools should give serious attention to the development of an appreciation of our traditional freedoms. What the schools do may prove in the long run to be more decisive than any other factor in preserving that form of government we cherish."

At Jefferson Union high school and grammar schools of the Jefferson district this week will be observed in conjunction with Book Week.

At the high school no special program has been planned but Principal James Ferguson invites parents to visit the school and watch the students working in their usual routine.

"We stress American education throughout the entire year," Principal Ferguson said. "We try to schedule one distinguished speaker a week to emphasize the values of the American way of life. We constantly strive to have our students realize the importance of keeping physically fit, of building strong minds, of learning to think for themselves so that they will be able to sift truth from falsehood."

More than thirty new books will be on display in the high school library in observance of Book Week. Illustrating the theme, "Good Books, Good Friends" will be posters and maps. Flower displays will be handled by the girl library students.

Miss Ethel Fillmore, librarian, said, "We hope to create an added interest in reading good books."

Superintendent R. L. Crane has announced that grammar school pupils will celebrate Book Week and American Education Week jointly.

**Seventeenth Century Employers**

**Believing that it was necessary to threaten employees with hunger in order to get more work from them, Dutch and English economic literature in the Seventeenth century stressed the necessity of lowering wages to the minimal level of subsistence, says a study of The Evolution of the Classical Wage Theory, issued by the Columbia University Press.**
